Just old Rambling Bill, just old Rambling Bill
Some day I might get married and, baby, I might settle
down

I ain't got no home, I'm here all alone
All the clothes I've got, I've got them on
Just old Rambling Bill, just old Rambling Bill
Some day I might get married and, baby, I might settle
down

I've been all around from town to town
I've got some good things on my way around
Just old Rambling Bill, just old Rambling Bill
Some day I might get married and, baby, I might settle
down

...Rock it, boys!

I'm just like a piano player, carry nothing but my hat
I play women where I find 'em and leave 'em where I
played 'em at
Just old Rambling Bill, just old Rambling Bill
Some day I might get married and, baby, I might settle
down

Rocks is my pillow, sunshine keeps me warm
Blue sky is my blanket and Mother Nature built my
home
Just old Rambling Bill, just old Rambling Bill
Some day I might get married and, baby, I might settle
down
