If you've got any money,
Boy walk right in
Don't be scared cuz it ain't no sin
Just roll them bones
Yes roll them bones
Now just roll them bones
Don't you love greed?

Ah if you want to do something
A justified livelihood
Put your money on the wood boy
That makes bettin' good
Just roll them bones
Yes roll them bones
Now just roll them bones
Don't you love greed?

This little game is called
"Chuck-a-luck"
The more you put down boy
The less you pick up
Just roll them bones
Yes roll them bones
Now you just roll them bones
Don't you love greed?

Now you just keep on a-bettin'
That the dice don't pass
This one is gonna catch ya boy
Yes yes yes
Just roll them bones
Yes roll them bones
Now just roll them bones
Don't you love greed?
