I'm goin' all a round the world, I've got to find my sweet
miss Bee
I'm goin' all a round the world, I've got to find my sweet
miss Bee
Now I'm gonna try to find out, oh Lord, what she's got
that's sending me

Tell me, tell me, tell me, people, have you seen my
sweet miss Bee?
I declare she's got them big bow legs, oh Lord, an'
she's all right with me

Gonna build me a home in the mountains, I mean for
me and my sweet miss Bee
Gonna build me a home in the mountains, just for me
and my sweet miss Bee
Oh, there ain't but two of us now, oh, Lord, but soon
there may be three
Can't nobody thrill me, nothin' like my sweet miss Bee
