I don't need no money, I've got lucky oil on my hands  
I don't need no woman's voice, always raisin' sand  
When I been drinkin', yes, when I been drinkin'  
Now when I come home, baby, please let me lay down  
and rest

Lookin' for a woman that ain't never been kissed  
We can get along and I won't have to use my fist  
When I been drinkin', yes, when I been drinkin'  
Now when I come home, baby, please let me lay down  
and rest

I want a job to go to work at twelve, get off at one  
Have an hour for dinner, boys, and my day's work is  
done  
When I been drinkin', yes, when I been drinkin'  
Now when I come home, baby, please let me lay down  
and rest

I want to be taken out of bed, put in a rocking chair  
Rock me anywhere, baby, Big Bill won't care  
When I been drinkin', yes, when I been drinkin'  
Now when I come home, baby, please let me lay down  
and rest
