I believe, I believe, I believe I'll change my way
I believe, I believe, I believe I'll change my way
There is three things, cross me down today

There is three things in life just won't let me rest
There is three things in life just won't let me rest
There's whiskey and good time, and a good woman
can do the rest

One drink will make you want more, and more will
make your love come down
Yeah, more'll make your love come down
Boy you should go home 'cause you can't do a thing
but clown

Yeah, look how three things brought me down
Yeah, look how three things brought me down
Now don't fly high, 'cause it hurts when you hit the
ground

I don't wanna be rich, I don't care for fancy clothes
Now I don't wanna be rich, I don't care for fancy clothes
Yes give me a pretty woman and an automobile, I will
be a happy soul
