Another head hangs lowly,
Child is slowly taken,
The violence causes silence,
Who are we mistaken?
But, you see, it's not me,
It's not my family,
In your head, they are fighting,
With their tanks and their bombs,
And their bombs and their guns,
In your head, they are crying,

It's in your head, in your head,
Zombie, zombie,
What's in your head, in your head?
Zombie, zombie

Another mothers breaking heart is taking over,
When the violence causes silence,
We must be mistaken,
It's the same old theme since nineteen-sixteen,
In your head, they're still fighting,

What's in your head, in your head?
Zombie, zombie,
What's in your head, in your head?
Zombie, zombie,
Aaaah, aaah, aaah, aaah,

It's the same old theme since nineteen-sixteen,
In your head, they're still fighting,
With their tanks and their bombs,
And their bombs and their guns,
In your head, we're all dying,

It's in your head, in your head,
Zombie, zombie,
What's in your head, in your head?
Zombie, zombie, [x3]
Aaaah, aaah, aaah, aaah
