Alright, hmm

It's so funny runnin' into you  
It has to be three years  
Since we last seen each other  
Many flashbacks come to mind  
Of the wild and crazy times  
We used to have with one another

We absolutely didn't care, we would do it anywhere  
Eye contact and it was over, hmm but that's when I was  
wild  
And now I couldn't care less about someone gettin' hurt  
I've done my share of dirt but I done wised up

Seein' you reminds me of  
All the nights I used to beat it up  
I would do it again, but I can't  
'Cause everything is different now  
I finally have settled down  
And became a one woman man

Ooh, there were many others after you  
Quite a few one night stands  
Some of their names I can't remember  
Imagine wakin' up with someone who  
You barely even knew, time and time again

But there's someone for everyone  
I've been blessed to find that one  
Who makes me feel like no other  
You are lookin' good as hell  
But I can't go home with you  
Because I'm goin' home to her

Seein' you reminds me of  
All the nights I used to beat it up  
I would do it again, but I can't  
'Cause everything is different now  
Finally have settled down  
And became a one woman man

Seein' you reminds me of  
All the nights I used to beat it up  
I would do it again, but I can't  
'Cause everything is different now  
I finally have settled down  
And became a one woman man

Seein' you reminds me of  
All the nights I used to beat it up  
I would do it again, but I can't  
'Cause everything is different now  
I finally have settled down  
And became a one woman man

Seein' you reminds me of  
All the nights I used to beat it up  
I would do it again, but I can't  
'Cause everything is different now  
I finally have settled down  
And became a one woman man

Seein' you reminds me of  
All the nights I used to beat it up  
I would do it again, but I can't  
'Cause everything is different now  
I finally have settled down  
And became a one woman man

Seein' you reminds me of  
All the nights I used to beat it up  
I would do it again, but I can't  
'Cause everything is different now  
I finally have settled down
