Excuse me girl slow up, slow up
I just need to holla at you for a minute, minute
I don't usually roll up, roll up
But tonight I gotta get them digits, digits

It's complicated man
That I can't understand
How you got me got me flipping like an acrobatic
Let me know wuzup we gotta hook up
Baby I can't handle it
Gotta getcha number quick

CHORUS X2

David Jassy:

Can I get ya number
Can I get ya number
(You got me sayin)

Can I get ya number
(You got me sayin)

David Jassy:

Can I get ya number
Can I get ya number
(Got me feeling like an addict, can I get your
mathematics)

You seduce me girl, with your swagga, swagga
And I can tell you want me too so just admit it, admit it
Since it's mutual let me grab ya, grab ya Information
So that you and I can kick it, kick it
