IN YOUR EYES

Masayah Chorus:

I can see it in your eyes
Somethings wrong
Something aint right
Dont be telling me no lies
I know he hurt you
He made you cry

David jassy:

You had to leave town, travel away
Find a cure for your restless soul just for a couple of
days,
Escape the city life, the strife and disarray for a
journey to the great
outdoors to x-ray where you standing in life,
if the road you took was right,
if you were here tonight i'd share my light through your
darkness,
giving you all the space you need to breathe,
unweave your sorrows and grieves
I believe that you and i can work this out no doubt
if we hang on and study the routelf you ever need
somebody to talk to,
i'll walk you through the gardens of life and let my love
wash you

Masayah Chorus:

I can see it in your eyes
Somethings wrong
Something aint right
Dont be telling me no lies
I know he hurt you
He made you cry

Andres:

I recognize this feeling, intuition
You got my mind and my body on a mission,
now since the day of our chemical collision,
seems all i'm after is your parents permission,

serious decisions,
sometimes in life you have to loosen up the tight and
let your wings take a flight,
the moon is in position,
means all my moves are gonna be spontaneously
approaching you very right,
I satisfy your appetite sexual,
Look into the future we'll make plans intellectual,
you can do the dishes while i'm out to fish the fishes,
together we can make this life very delicious,
ambitious would be the word to describe me like when
i was holding my first mic ready to amplify
These rhymes are old enough to know somethings
wrong,
wrote them the first day i met you,
Yo i've known you too long for you to hide what's going
on

Chorus:

I can see it in your eyes
Somethings wrong
Something aint right
Dont be telling me no lies
I know he hurt you
He made you cry

Tears dont lie girl
Go ahead and tell me
What's on your mind yeah
Dont hold back and dont deny
You've been through this too many times yeah
About time you let him go
About time you let me know! i'm here for you i'm here for
you always

Masayah Chorus:

I can see it in your eyes
Somethings wrong Something aint right
Dont be telling me no lies
I know he hurt you
He made you cry

Cry cry cry cry Cry cry
Made you cry Ooh aah yeah
Cry cry cry Cry cry
Made you cry Ooh aah yeah
