You know the cockroach traffic in here
It's got me drinkin' too much beer
But it ain't any worse than any major town

Broken records all over the floor
Who could ask for anything more?
Sent someone out to score and I'm gonna

Love you baby and
Drivin' you crazy
Is all I want to do
You act so bad
You drive me mad
You make-a me bad
In my Bohemian love pad

Baby I don't think so

We had a voodoo party last night
And all the neighbors got so uptight
Michael Blair got in a fight
With the poor man's wife

All my friends were there
All gettin' in each other's hair
But I could tell that they all

Love you baby and
Drivin' you crazy
Is all I want to do
You act so bad
You drive me mad
You make me so bad
In my Bohemian love pad

Baby I don't think so

Let's Go!

Lovin' you baby and
Drivin' you crazy

It's all I want to do
Lovin' you baby and
Drivin' you crazy
Is all I want to do
You act so bad
You drive me mad
You drive me bad
In my Bohemian love pad

Baby I don't think so
Oh baby, I love ya so
Oh baby, I love ya so
Oh baby, I love ya so
Oh baby, I love ya so
Oh baby, I love ya so
