Why do ya build me up (build me up)  
Buttercup baby, just to let me down (let me down)  
You mess me around  
You know worst of all (worst of all)  
You never call baby when you say you will (say you will)  
But I love you still  
I need you (I need you), more than anyone darlin'  
You know that I have from the start  
So build me up (build me up) but buttercup, don't break  
my heart

This happened again  
You'll be "over at ten", but you're late  
I wait around and then  
I went to the store  
I can't take anymore, without you  
You let me down again

(Hey, hey, hey) Baby, baby, try to find  
(Hey, hey, hey) A little time, and I'll make you happy  
(Hey, hey, hey) I'll be home  
Right beside the phone, waiting for you  
Ooo-ooo, ooo-ooo

Why do ya build me up (build me up)  
Buttercup baby, just to let me down (let me down)?  
You mess me around  
You know worst of all (worst of all)  
You never call baby when you say you will (say you will)  
But I love you still  
I need you (I need you), more than anyone darlin'  
You know that I have from the start  
So build me up (build me up) and buttercup, don't  
break my heart

To you I'm a toy  
but I could be the boy you adore  
If you'd just let me know  
Although you're untrue  
I'm attracted to you all the more  
Why do I need you so?

(Hey, hey, hey) Baby, baby, try to find  
(Hey, hey, hey) A little time and I'll make you happy  
(Hey, hey, hey) I'll be home  
Right beside the phone, waiting for you  
Ooo-ooo, ooo-ooo

Why do ya build me up (build me up)  
Buttercup baby, just to let me down (let me down)?  
You mess me around  
You know worst of all (worst of all)  
You never call baby when you say you will (say you will)  
But I love you still  
I need you (I need you), you know darlin' I need ya  
You know that I have from the start  
So build me up (build me up) and buttercup, don't  
break my heart

You know that I have from the start  
So build me up (build me up) and buttercup, don't  
break my heart  
Don't break it, don't break my heart
