You don't have to justify
Anything you say or do
And you don't have to testify to
Anything I hold as true
And you don't have to mystify me
Oh but, darlin' you do
And if, you won't be here anymore
Then I won't be around at all

You don't have to be like anyone I've ever known before
You just have to come in here and
Darlin' please, shut the door
I said, I can't stand it anymore
Justine come in and shut the door

You don't have to realize
Anything I'm trying to do
And I don't wanna criticize
Anything you hold as true
And I don't have to idolize you
Oh but, darlin' I do
And if, you won't be here anymore
Then I won't be alive at all

So you don't have to justify
Anything you say or do
And you don't have to mystify me
Oh but, darlin' you do
Justine ya do
