I'm tough as dirt, I'm mean as blood  
Where, where I blow out comes spiders, where I step a  
weed dies  
No smokes with diapers for Pete, King of All Detectives  
Fall down on your knees, fall down and worship King  
Dick  
King Dick!  
My business walked out with the broken man  
My business walks out with the colored man  
I have no shame, I'm a hard working man  
I have my pride, I'm a straight-standing man  
I am Pete  
When I find that man, I ply my trade

I use my wits, I use my hands  
I am no drunkard, I am no colored man  
I am king, I am king, I am king, I am Pete, I am Pete  
I find that house, I find that chick  
I find that man, I find my bitch  
My name and my size, I'm back with a bang  
I'm peaking, I'm peaking, I'm peaking, I'm peaking  
I'm Pete  
Peak, yeah, I'm Pete  
I'm Pete  
Peak, yeah, I'm Pete  
I'm Pete  
Peak, yeah, I'm Pete  
Pete  
Peak, yeah  
Yeah!
