Got a foot and a half of unregistered steel
Shake that sis, we got a street to deal
Got an inch and a half of number nine shot
Pumped up your ass in the parking lot
Sawed-off
Shotgun
Sawed-off
Shotgun
Got an inch and a half of number nine shot
All pumped up your ass in the parking lot
Got a foot and a half of unregistered steel
Shake that sis, we got a street to deal
Sawed-off
Shotgun
Sawed-off
Shotgun
(Space Invaders and Asteroids sounds)
Bang bang bang bang
