Go!
Been so long
Forgot what it's like
Like swimming, like sex, like taking a bang??
Like fistfight
Think it's time got stinking drunk
Think it's time
Been so long
What brought me to this?
Been so long
Forgot what it's like
Like fighting, like sex, like taking a bang??

Think it's time got stinking drunk
Think it's time
You shut up!
Go!
Get drunk, get drunk, get drunk
Get drunk, get drunk, get drunk
Get drunk, get drunk, get drunk
Get drunk, get drunk, get drunk
Get drunk, get drunk, stinking drunk
