Feels good, feels good, hey

Only you, only you, only you, only you can make my
body move
It's okay, it's okay, it's okay, it's okay, that's how you
make me feel
That's how you make me feel when I'm with you
When I'm with you, everything is alright
When I'm with you, when I'm with you
You make the stars shine bright, so bright

Feels good
Feels good, feels good, feels good, feels good
Feels good, feels good, feels good
Feels good, feels good, feels good, feels good

Can I go, can I go, can I go, can I go, the paradise of
you
When you dance, dance, dance, dance into the night
I can't deny what you do for me, gonna go me alright
I can't believe how you're making me feel
You know what I like, you know what I like

Feels good when I'm with you, feels good when you're
around
Feels good to know you're there
Feels good, feels good, feels good, feels good
Feels good when I'm with you, feels good when you're
around
Feels good to know you're there
Feels good, feels good, feels good, feels good

When I'm with you, I can dance all night
When I'm with you, I can dance all night
When I'm with you, I can dance all night, dance all
night, dance all night
When I'm with you, I can dance all night
When I'm with you, I can dance all night
When I'm with you, I can dance all night, dance all
night, dance all night
When I'm with you, I can dance all night

When I'm with you, I can dance all night
When I'm with you, I can dance all night, dance all
night, dance all night
When I'm with you, I can dance all night
When I'm with you, I can dance all night
When I'm with you, I can dance all night, dance all
night, dance all night

Only you, only you, only you, only you can make my
body move
It's okay, it's okay, it's okay, it's okay, that's how you
make me feel
How you make me feel, how you make me feel, how
you make me feel
How you make me feel, how you make me feel, how
you make me feel
How you make me feel, how you make me feel, how
you make me feel

Feels good, feels good, feels good, baby yeah
Feels good, feels good, feels good, feels good
Feels good, feels good, feels good, baby yeah
Feels good, feels good, feels good, feels good
Feels good, feels good, feels good, feels good
Feels good, feels good, feels good, feels good
Feels good, feels good, feels good, feels good, feels
good

Feels good, feels good, feels good
Feels good, feels good, feels good, feels good
Feels good, feels good, feels good
Feels good, feels good, feels good, feels good
Feels good, feels good, feels good
