Here I am

I'm too shy to show you my venerable side
I'm too near to make it clear emotional suicide
Is this love I'm thinking of I know that, know that
Close the latch I can't attach I'm sure that, I'm sure that

Here I am, I can't give you anything
Here I stand, I can't turn away
Here I am, don't want to cause you pain
Here I stand, alone and on my own again

Death an act of heaven slept, I'm a crazy, lazy
Fall so deep then I can't sleep, I'm slippin' into hazy,
hazy
Want to share but it's not there, and tell me why, why
Laugh to live no tears to cry, and I really, want to cry

Here I am, I can't give you anything
Here I stand, I can't turn away
Here I am, don't want to cause you pain
Here I stand, alone and on my own again

Here I am, I can't give you anything
Here I stand, I can't turn away
Here I am, don't want to cause you pain
Here I stand, alone and on my own again

Here I am, here I am, here I am
Here I am, here I am, here I am, here I am

Here I am, here I stand
Here I am, here I stand
Here I am, here I stand
Here I am, here I stand
Here I am, here I stand

Here I am, here I stand
On my own again, on my own again
Here I am, don't wanna cause you pain
Here I stand, alone and on my own again

Here I am, here I am
Here I stand, oh, here I stand
Here I am, here I am, oh
Here I am, here I stand
Here I am, here I stand
Here I am
