Do you feel you're in a dream?
Is it real or hardly what is seems?
Can your heart decide again?
Do you stay or burn me in your flames?

Do you wanna remember?
Did it last forever?
Was it what you imagined?
Or did it feel like magic?

Chrous x3:
How would you feel?
How would you know?
If it was truly love?

Could you sleep or did you hardly eat?
Could you breath when you were next to me?
Did a song remind you of my smile?
Did my sense just linger on for a while?

Do you wanna remember?
Did it last forever?
Was it what you imagined?
Or did it feel like magic?

Chorus x3

Do you wanna remember?
Did it last forever?
Was it what you imagined?
Or did it feel like magic?

Chorus

How would you feel
How would you know...

Chorusx2

If it was truly love
If it was truly love
