Needin' you  
Oh needin' you

Here I stand waiting for you by the phone  
A love I could call my own  
Be with you in your dreams come true

Here and now I wanna push away the past  
Find a love that'll truly last  
Someone who could make me love again

Oh, I'm needin' you like coals need a fire  
Yes, I'm needin' you like the night time needs the day  
Oh, I'm needin' you like spring time needs the summer  
Oh, I'm needin' you  
Bring back that love again

I'm needin' you  
I'm needin' you  
I'm needin' you

In my house you make me wanna shout out loud  
When I see you with the crowd  
I feel like I'm in heaven  
I beg for more

Here and now I'm a woman standing strong  
Forever makes it very long  
Together we can be as one

Oh, I'm needin' you like coals need a fire  
Oh, I'm needin' you  
Bring back my love again

I'm needin' you  
I'm needin' you

(repeat)

Oh, I'm needin' you like coals need a fire  
Yes, I'm needin' you like the night time needs the day  
Oh, I'm needin' you like spring time needs the summer

Oh, I'm needin' you  
Bring back that love again

Oh, I'm needin' you like coals need a fire  
Yes, I'm needin' you like the night time needs the day  
Oh, I'm needin' you like spring time needs the summer  
Oh, I'm needin' you  
Bring back that love again  
(repeat and fade)
