## "Serial Murders In A Fibonacci Sequence"

Visit "[Serial Murders In A Fibonacci Sequence](#)" on MotoLyrics.com

I can't stand the fucking sound of your name  
Triggering indignation  
Marauding eyes defile innocence portrayed

Drop like a shot  
At a loss for words  
I cannot enjoy this atmosphere

Superficial minds cannot comprehend  
The beauty of the insane  
(Fuck you)  
I'll never change for you  
And I shall keep this shred dignity  
(Usurper of my heart)

Put this gun to my head  
And paint this beautiful  
Fucking portrait  
With my abstract mind  
I'll kill these worthless emotions  
And you fucking masqueraders  
I'll pull the fires from the skies and burn the goddess

Vendetta ammunition  
Fervent hatred  
End neurotic animus

I will kill this worthless emotion called love  
I want to fucking kill

[Solo: Brandon]
