I am the light of this world
Just as long as I'm in this world
You don't believe in Jesus
And not a word is said
When he came down to Lazarus
And raised him from the dead
I am the light of this world
Just as long as I'm in this world
We've got firey fingers
And we've got firey hands
When I get up to heaven, Lord
Gonna play in that firey band
Shout out over the water
I won't be there long
My soul is anchored in Jesus, Lord
He won't do me no wrong
I am the light of this world
Just as long as I'm in this world
