KRYPTONITE

Well, I took a walk around the world to

Ease my troubled mind

I left my body laying somewhere

In the sands of time

But I watched the world float to the dark

Side of the moon

I feel there's nothing I can do

Yeah

I watched the world float to the

Dark side of the moon

After all I knew it had to be something

To do with you

I really don't mind what happens now and then

As long as you'll be my friend at the end

If I go crazy then will you still

Call me Superman

If Im alive and well, will you be

There holding my hand

III keep you by my side with

My superhuman might

Kryptonite

You called me strong, you called me weak,

But still your secrets I will keep

You took for granted all the times I

Never let you down

You stumbled in and bumped your head, if

Not for me then you'd be dead

I picked you up and put you back

On solid ground

If I go crazy then will you still

Call me Superman

If Im alive and well, will you be

There holding my hand

III keep you by my side with my

Superhuman might

Kryptonite

If I go crazy then will you still

Call me Superman

If Im alive and well, will you be there

Holding my hand

Ill keep you by my side with
My superhuman might
Kryptonite
Yeah!!
If I go crazy then will you still
Call me Superman
If Im alive and well, will you be there
Holding my hand
Ill keep you by my side with
My superhuman might
Kryptonite
Woohohohohhhhhh
Woohohohohhhhhhh
