Such a misfit little girl
Afraid of love she hides away
She's stumbling through life
In a misfit, shitty world
She makes it through each rainy day
Searching for light

She's lost out at sea
It's not meant to be

Oh, it's so bittersweet
He's so in too deep
He can't have the one who
Makes him complete
But that's how it goes
She did what she could
Baby, it's all good

Such a left out little kid
Learning love the way he did
His smile's not real
Lives his life based on a lie
He watches his time passing by
He gave it all to her

He's lost out at sea
It's not meant to be

Oh, it's so bittersweet
He's so in too deep
He can't have the one who
Makes him complete
But that's how it goes
It's ok cos he knows
She did what she could
Baby, it's all good

Now his days have turned into grey
She keeps her smile though he feels this way
Falling from grace
This is the end

This is the end
