I know the path of love
Is insecure, can't be sure
There are no guarantees
Will took a chance & I fell for her

And when she left
I put my heart up on the shelf
Swore I'd never fall again
I told myself

Refrain:
Broken hearts are never mended
Fools who say they are pretend it
That's what I believe
Until I fall in love again
Love will always leave you cryin'
Those who tell you're not a lyin'
And that's what I believe
Until I fall in love again

Ohh...

You found me lonely
And you told me
That you never leave
And I was ready for a new love
That I could believe

For when you left
I put my heart up on the shelf
Swore I'd never fall again
I told myself

Refrain

I know that love is like a rose
It lives, it dies
It blooms, it grows
I know I'm gonna try again
I know I'm gonna try again

Refrain (3x)
