You think I love you for just one thing
To you, my love, this may be the way that it seems
But I love the way you carry yourself
Girl, I even love you, love you, love you, love you
And nobody else

Now ain't that loving you?
Ain't that loving you
For more reasons than one?

Somehow, my love, you've been misled
I know you have
By the things that other, other guys have said
Don't you believe

'Cause I love the way you carry yourself
Girl, I even love you, love you, love you, love you
The way you wear your hair

Now ain't that loving you?
Now ain't that loving you
For more reasons than one?

Did it ever occur to you
Why I do all that I can do?
You keep a smile upon your face
It's 'cause I love you, in so many ways
It's 'cause I [Incomprehensible]

Somehow, my love, you've been misled
By the things that other, other guys have said
[Incomprehensible]

'Cause I love you for what you are
Girl, I even love you, love you, love you, love you
For what you may become

Ain't that loving you?
Ain't that loving you
For more reasons than one?

I love the way you wear your hair

I love the way that you carry yourself
I love the way that you squeeze me tight
I just love the way you make everything alright
Let that satisfy me, let that
