Spy on me baby use satellite  
Infrared to see me move through the night  
Aim gonna fire shoot me right  
I'm gonna like the way you fight

Now you found the secret code I use  
to wash away my lonely blues  
So I can't deny or lie cause you're  
the only one to make me fly.

Sexbomb Sexbomb you're a Sexbomb  
You can give it to me, when I need to come along  
Sexbomb sexbomb you're my sexbomb  
And baby you can turn me on.

No don't get me wrong ain't gonna do you no harm (no)  
This bomb's for lovin' and you can shoot it far  
I'm your main target come and help me ignite  
Love struck holding you tight.

Make me explode although you know  
the route to go to sex me slow  
And yes, I must react to claims of those  
who say that you are not all that.

You can give me more and more counting up the score  
You can turn me upside down and inside out  
You can make me feel the real deal  
And I can give it to you any time because you're mine
