There's a wind a-blowin', all across the land
A fragrant breeze of Heaven
Blowin' once again
Don't know where it comes from
Don't know where it goes
But let it blow over me
Oh, sweet wind, come and blow over me

There's a rain a-pourin', showers from above
Mercy drops are comin'
Mercy drops of love
Turn your face to heaven
Let the water pour
Well let it pour over me
Oh, sweet rain, come and pour over me

There's a fire a-burnin', falling from the sky
Awesome tongues of fire
Consuming you and I

Can you feel it burnin'
Burn the sacrifice
Well let it burn over me
Oh, sweet fire, come and burn over me

Oh lift your voice
Call for the wind, call for the rain, call for the fire
We say we're keen Lord ...
Come and pour, oh Lord.
Do it again and again and again and again and again,
oh Lord
Oh, sweet fire, come and burn over me
Oh, sweet rain, come and pour over me
Oh, sweet wind, come and blow over me

Let it blow over, let it blow over, let it blow over ...
