I've done a lot of laughing  
A little bit of crying  
I've been a lot of places  
And made a mess of friends  
Got wedded to the whisky  
Should've been a good woman  
If I could re-live my days  
Changing my ways  
I'd not touch' a drop again

By the devil I was tempted  
And many jugs I've emptied  
I felt so rejected  
I didn't wanna go astray  
Half my life has been awasted  
By the booze I've tasted  
But the demon I have faced it  
And sent him on his way

I hope I'll be forgiven  
For all my bad livin'  
I had to make some changes  
'Fore he got me in the end  
Now I've got a pretty woman  
She gives me good lovin'  
I can 't re-live all my days in a different way  
But I won't go astray again

By the devil I was tempted  
And many jugs I've emptied  
I felt so rejected  
I didn't wanna go astray  
Half my life has been awasted  
By the booze I've tasted  
But the demon I have faced it  
And sent him on his way
