David Soul - Don't give up on us baby

Don't give up on us baby, don't make the wrong seem
right

The future isn't just for the night, it's written in the
moonlight

And painted on the stars, we can't change us.....

Don't give up on us baby, we're still worth one more try
I know we put the last one by, just for the rainy evening
When maybe stars are few, don't give up on us I know
We can still come through

I nearly lost my head last night, you've got a right to
stop believing

There's still a little love left, even so

Don't give up on us baby, lord knows we've come this
far

Can't we stay the way we are, the angel and the
dreamer

Who sometimes plays a fool, don't give up on us I know
We can still come through

And painted on the stars, we can't change us

Don't give up on us baby, we're still worth one more try
I know we put the last one by, just for the rainy evening

When maybe stars are few, Don't give up on us baby I
know

We can still come through

Don't give up on us baby, don't give up on us baby
