They say that love is a game of give and take  
Everybody hurting and everything at stake  
All those words to date still ring true  
But I will love no one else and only you  
But can we fight fate

With the winds against our backs  
From different sides of the railroad tracks  
Our love under attack  
I will wait for our sun to set  
Your angel eyes I will never forget  
Our love will stand strong  
Like Romeo and Juliet

Montague's and Capulet's fighting for one love  
We pray for resolution from up above  
Put your hand in mine and hold on tight  
Together we will bind in love and end this fight  
But can we chance fate  
With the winds against our backs  
From different sides of the railroad tracks  
Our love under attack  
I will wait for our sun to set  
Your angel eyes I will never forget  
Our love will stand strong  
Like Romeo and Juliet

No matter where we go  
No matter what we do  
I will love no one else and only you

With the winds against our backs  
From different sides of the railroad tracks  
Our love under attack  
I will wait for our sun to set  
Your angel eyes I will never forget  
Our love will stand strong  
Like Romeo and Juliet
