Yeahh.. wo..

Katrina.. I can't stop looking in your eyes
but my words don't come out straight
I don't know what to say.. (oh no..)

on monday i tell myself you gotta wait...
don't rush it, don't anticipate
take it slowly it's okay... it's okay...

and i just want a chance to know you..
to know the woman deep inside.. yeahh.. yeahh..
and i don't wanna look back on life
to see this missed opportunity... yeahh.. to get to know
you..
even at the risk of looking like a fool... to you.. yeah
yeahh..

on wednesday i casually walk on by
to find that you're not there..
I act like I don't care
but on friday i catch a glimpse of you who who..
i tell myself don't hesitate
you just walk up and say hello... say hello...

and I just want a chance to know you..
to know the woman deep inside.. yeah yeahh..
and i don't wanna look back on life..
to see this missed opportunity.. yeah yeahh..
to get to know you
even at the risk of looking like a fool... to you..

and I just want a chance to know you..
to know the love you have inside.. yeah yeahh.. oh no
no no no
and i don't wanna look back on life..
to see this missed opportunity.. yeah yeahh..
to get to know you
even at the risk of looking like a fool... to you..

Katrina will I ever know your heart..
