My shattered dreams, and broken heart  
Are mending on the shelf  
I saw you holding hands,  
standing close to someone else  
still i sit all alone  
wishing all my feelings were gone  
I gave my best to you  
nothing for me to do  
but i have one last cry  
one last cry  
before i leave it all behind  
i've got to put u outta my mind  
this time..  
stop living lies  
i guess im down  
to my last cry

I was here u were there  
i guess we never could agree  
while the sun shines on you  
i need some love to rain on me  
still i sit all alone  
wishing all my feelings were gone  
gotta get over you  
nothing for me to do  
but i have one last cry  
one last cry  
before i leave it all behind  
i've got to put you outta my mind  
this time..  
stop living lies  
i know ive gotta be strong  
cause 'round me life goes on and on and on.. and  
on..ohh yeaaa  
im gonna dry my eyes  
right after i had my..  
one last cry  
one last cry  
before i leave it all behind  
i've gotta put u outta my mind  
for the very last time..  
been living lies

i guess im down  
i guess im down  
i guess im down...  
to my last cry
