I've been waiting, anticipating for your love, waiting  
for your love.

All this time I've been waiting for this awakening to  
quench my thirst.  
Anticipating, oh I've been waiting, one touch from you  
can make me whole.  
All this time I've been dreaming for the awakening to  
touch my soul.  
Anticipating, oh I've been waiting, finally you  
quenched my thirst.

Like a ship needs the ocean, I am needing your love to  
keep my sanity.  
I'm anticipating you like the second coming.  
This feeling, it feels so good, I feel it inside my  
soul.  
I'm admitting it, I'm addicted but I'm still in  
control.

Second by second, the minute will come.  
I'll do what I must do until you come.  
From sunrise to sunset, I'll be waiting for you in a  
place and in a time.  
All that matters is that you'll be mine.

Anticipating, anticipating, anticipating, anticipating,  
ooh.  
I want your love, I want it, I want your love, I want  
it.

I've been waiting, anticipating for your love, waiting  
for your love.  
Anticipating, I want it baby, I need it baby,  
anticipate, anticipate.  
Anticipate your love, your love, ooh.  
Anticipate, anticipate, anticipating, anticipating. I  
really need your love.

I want your love, I want it, I want your love, I want  
it.

I've been waiting, anticipating, all this time I've  
been waiting.  
All this time, all this time, anticipating is making me  
waiting.
