(Rollo Armstrong/Rob Dougan/Percival Trollope)

You can lift your man up, give him all that he wants.
You don't mean a thing if you can't hold him down.
You can take your man back, tell him all that he wants
But let me tell you now, you gotta hold that sucker
down.

(Hold that sucker down)

But let me tell you now, but let me tell you now
But let me tell you now, you gotta hold that sucker
down.

But let me tell you now, but let me tell you now
But let me tell you now, you gotta hold that sucker
down.

But let me tell you now, but let me tell you now
But let me tell you now, you gotta hold that sucker
down.

You can lift your man up (yeah), give him all that he
wants (ha ha).

You don't mean a thing if you can't hold him down.

You can take your man back (mmh)

Tell him all that he wants (yeah baby)

But let me tell you now, you gotta hold that sucker
down.

(Hold that sucker down)

Make it right girl, yeah, I'll do what you want.

I'll be right here, baby, hold that sucker down as if you
hold me down.

Make it good girl, I'll be right, is this for you ?

Can you tell me one more time ? Hold me down.

Hold that sucker down girl, hold that sucker down, ha
ha.

Mmh, yeah baby, OK, I want to get it together.

I say you are way gorgeous baby ! But you could make it
right for me.

I'll be right here. Hold me down, hold that sucker down.
