I just want to see you tonight and also talk to you tonight.

Give me a call if you're awake, I'm out alone, I call you back.

I need to warm my heart tonight, all by myself, it's very hard tonight.

Give me a call if you're awake, I'm out alone, I call you back.

I just need to hear you tonight, to share some words with you tonight.

Give me a call if you're awake, I'm out alone, I call you back.

I feel like losing my head tonight, I don't want to go insane tonight.

Give me a call if you're awake, I'm out alone, I call you back.

I don't want to be alone tonight, I don't want to go home tonight.

Give me a call if you're awake, I'm out alone, I call you back.

I will tell you what's wrong tonight, I will write it in my song tonight.

Give me a call if you're awake, I'm out alone, I call you back.

I just need to see you tonight, to share some words with you tonight.

Give me a call if you're awake, I'm out alone, I call you back.

I will stop calling you tonight, I feel like sleeping back home tonight.

Give me a call if you're awake, I'm out alone, I call you back.
