(Spoken)

I think I've lost my pony!  
And normally that's bad.  
But good thing I'm a city kid,  
'Cause I can hail a cab!

(Chorus)

Taxi, taxi!  
Riding in the back seat.  
Roll the window up,  
Roll the window down.  
Put the money through the slot,  
"See ya later"  
"Thanks a lot".  
Sure beats walking cross town.

(Spoken)

I think I've lost my tractor!  
And normally that's bad.  
But good thing I'm a city kid,  
'Cause I can hail a cab!

(Chorus again)
