Every time that I waltz with you
It's the adoration waltz

I adore every thing you do
In the adoration waltz

From your head to the tip of your shoes
You're pefection without any faults

Skies are blue
Dreams come true
While I'm holding you
In the adoration waltz

From tyour head to the tip of your shoes
You're pefection without any faults

Skies are blue
Dreams come true
While I'm holding you
In the adoration waltz
