DAVID WILCOX  
BREAKFAST AT THE CIRCUS 1987  
FIRE IN MY BONES  
Hey hey hey  
Mmm mmm mmm

I've got a fire in my bones  
Makes me takes me where I'm going  
The fire won't say no  
I got a fire in my bones  
All your sticks and stones can't kill the flame  
It burns the same

Say two wiseman say  
For envy we pay  
Every pace every glance  
Everytime we take a chance

There's a spark in your eyes  
Call me lucky  
I'm not wise  
My heart is restless  
Like autumn leaves  
Let your spark drop down on me  
And light the fire in my bones  
Makes me takes me where I go  
The fire won't leave me alone  
I got a fire in my bones  
Crackling burning raging turning closer  
All the time

When the wind blows cold across rainy sky  
The birds can't fly  
Could be night or day  
Time is still a way into the fire

I got a fire in my bones  
Makes me takes me where I'm going  
The fire, the fire won't say no  
I got a fire in my bones  
All your sticks and stones can't kill the flame  
It burns the same

It burns the same  
Fire burns the same  
Burns the same  
It burns the same  
It burns the same  
It burns the same  
It burns the same  
It burns it burns  
It burns it burns  
It burns it burns  
It burns it burns  
It burns it burns  
It burns the same  
It burns the same
