Come on pretty baby take a trip with me
I'm gonna put you on tv
Make you feel like a woman should
Mmm so sweet so good
Ooh

Freeze to me mama
Freeze to my bone
Freeze to me mama
Bring me on home
Freeze to your mama
Freeze to my back
And I'll drive you around in my cadillac

I'll take you down to the jewellery store
Buy you fancy things and more
When I think of what we could do
I wanna make love with you
Ooh

Freeze to me mama
Freeze to my bone
Freeze to me mama
Bring me on home
Freeze to me mama
Freeze to my back
And I'll drive you around in my cadillac

Ah come on pretty baby
Let's fool around
Get a little bit of that rock and roll sound
Get me high till I explode
Listen me scream for more
Ooh

Freeze to me mama
Freeze to my bone
Freeze to me mama
Bring me on home
Freeze to me mama
Freeze to my back
And I'll drive you around in my cadillac
