Stop drinkin' coffee
Start drinkin' tea
This life I'm living
Is gonna be the death of me
I believe in miracles and
I believe in love
Freedom first for all concerned
'Cause you gotta be careful
Living in a pop out world

I don't have much money but what I've got
Is all mine
It's not a lot
You can have your mansion
And your gold
I'll take my freedom
And my soul
'Cause you gotta be careful
Living in a pop out world

Big tv game show
Breakin' the bank
Paranoia struck
I couldn't think
Good thing I was dreaming
I might've been upset
Now I know the answer
It's the question I forget
'Cause you've got to be careful
Living in a pop out world

Start watching people
Stop watching tv
Can't read your mind
But I know what I see
I like 'em fat while
You like 'em thin
You ask where I'm coming from when
I don't know where I've been
'Cause you gotta be careful
Living in a pop out world

Stop drinkin' coffee
Start drinkin' tea
This life I'm living
Is gonna be the death of me
I believe in miracles and
I believe in love
Freedom first for all concerned
'Cause you gotta be careful
Living in a pop out world
