Shake it baby
All night long
Shake it baby
All night long
Shake it baby
All night long
Ahhh shake it for me

You can get it if you shake it just so
Shake baby one time before you go
Hey shake it all night long

Here comes Sally with a snicker and a grin
She can take it and shake it again
Ahhh shake it Sally
Shake it all night long
You can get it if you shake it for me
Shake it for Wilcox sweet as can be
Yeah shake it all night long

BRIDGE

Shake it baby
Now you shake it so fine
Shake it baby and it tastes like wine
Shake it baby
Shake it all the time
Hey
Shake it all night long
You can get it if you
Shake it, take it
Break it, shake it
Hang it on the wall
Mmmm..shake it all night long

Wooh!

Shake it baby all night long
Shake it baby all night long
Shake it baby all night long
Mmm...shake it all night long
You can get it if you shake it just now

Shake it baby
Sometime, somehow
Ahh shake it all night
