I want a drink, and here's a twenty  
And bring my change in dimes  
There's a song on the jukebox  
I want to hear a thousand times  
It used to be our love song  
We played it here before  
So let's be sure it's playing  
When she walks through that door

You see, I had her but then I lost her  
But I got one more chance tonight  
And if she hears it playing  
Maybe things will turn out right  
So waitress, take a handful  
I've just got to hear that song  
And I'll wait here for my baby  
If it takes me all night long

I'm sure it's nowhere near  
The greatest love song in the world  
But I hope she still remembers  
That I wrote it for my girl  
Here she comes, and Lord she's smiling  
Cause she just heard that song  
And I just got a feeling  
That tonight we're going home

I want a drink, and here's a twenty  
And bring my change in dimes  
There's a song on the jukebox  
I want to hear a thousand times
