Who can boast, about the knowledge of Life  
Who can boast, about the knowledge of Truth  
Who can boast, about the knowledge of Death  
Who can boast, about the knowledge of Lie?

Just tears of ages, running down, the cheek of  
existence  
Can sing a song, of knowledge...  
Just tears of the ages, running down...

Who can boast, about the knowledge of Love  
Who can boast, about the knowledge of Hate  
Who can boast, about the knowledge of Defy  
Who can boast, about the knowledge of Fear?

Just tears of the ages, running down, the cheek of  
existence  
Can sing a song of knowledge...  
Just tears of the ages, running down...
