Just cast away and I am lost at sea
Another lonely day and no one here but me
More loneliness than any man could bear
Rescue me before I fall into despair

I send an s.o.s. to the world
I send an s.o.s. to the world
I hope that someone gets my
I hope that someone gets my
I hope that someone gets my
Message in a bottle
Message in a bottle

A year has passed since I wrote my note
I should have known it right from the start
Only hope can keep us together
Love can mend your life but love can break your heart

I send an s.o.s. to the world
I send an s.o.s. to the world
I hope that someone gets my
I hope that someone gets my
I hope that someone gets my
Message in a bottle
Message in a bottle

Walked out this morning I don't believe what I saw
A hundred billion bottles washed up on the shore
Seems I'm not alone at being alone
A hundred billion castaways all looking for a home

I send an s.o.s. to the world
I send an s.o.s. to the world
I hope that someone gets my
I hope that someone gets my
I hope that someone gets my
Message in a bottle
Message in a bottle

Sending out an s.o.s.
