"One Day"

Looking to the sky wishing for a sun
Lowering the high before the trip's begun
Passing time acting blind taking the easy way out
Every day you spend wasting away
You don't care what life's about
But you will one day
You will one day you'll be hurting some day you will one
day
Said you'd be the one
Said you'd always be there
But you're caring for none
And your promises they drift into the air
Every night you want to start a fight
Trouble's what you're made of
You can't be tied you can't look inside
Don't want anyone to love
But you will one day
You will one day you'll be hurting some day you will one
day
Passing time and acting blind
Taking the easy way out
Everyday you're wasting away and don't care what
life's about
But you will one day
You will one day...
