[Intro: Jacka]

Yeah- Davina- what's happenin'...
It's the Jack.... Fremont- the Bay stand up...

[Hook: Davina]

Bay Luv...
We stay- we stay on the grind...
(I'm- I'm- I'm from the Bay...)
We stay pushin' baby...
Bay Luv...
Oooohh yeeeeaaaah...
(I'm- I'm- I'm from the Bay...)
That's where I'm from...

[Verse 1: Jacka]

It's the Yay- pick up a strap 'n' go about my day-
Blast through the Yoc 'n' P-World-
I'm on my way to the Rich city-
Feelin' good but it's crazy-
Got cousins from the V N the 'Sco- who been Mainy
Whole family from the O-A-K, it's not safe
The Haystack N.E.P.A.- San Jose ain't nothin' else to say
It's still cities in between who still do they thang
In the shadows the unseen
Alotta Patna's doin' time in the Bing
First they would sleep on the Bay 'n' everything just
changed
They always listen to our rhymes 'n' soak up Game
Learn our style 'n' act fly on the T.V. screen.
Big influence I'ma do it 'cause they need me mayne-
Big house- big cars- but it ain't no dream-
I guess I'm a star about my cheese-
Got sisters doin' life- but still they sing....

[Hook: Davina]

Bay Luv...
We stay- we stay on the grind...
(I'm- I'm- I'm from the Bay...)
We stay pushin' baby...
Bay Luv...
Oooohh yeeeeaaaah...

(I'm- I'm- I'm from the Bay...)
That's where I'm from...

[Verse 2: Davina]

8-5-84 the day I was born, straight outta Fremont
California
Northern Cali- The Bay to be exact
'N' I rep it so hard just to keep it on the map
The Bay- is where it's all at
Sav It Out 'n' the Jack on the Kev Knocks slap
Rainin' Game while we hustle on the independent grind
Stayin' flamed- you a hoodstar- throw ya hood signs...
What you know 'bout how we do it out here
Got ya feelin' so good when they all up in ya ear like
"Aye boy what's ya name
Ya lookin' like a Gangsta so you probably from the Bay"
Hey!... betta recognize this ain't on the sucka side
Keepin' the Bay up on the rise
Cause we keep our game tight...
I'll never forget where I came up
If ya ain't up on game- it's Bay Luv...

[Hook: Davina]

Bay Luv...
We stay- we stay on the grind...
(I'm- I'm- I'm from the Bay...)
We stay pushin' baby...
Bay Luv...
Oooohh yeeeeaaaah...
(I'm- I'm- I'm from the Bay...)
That's where I'm from...

[Verse 3: Big Tone]

The B-A-Y, the place where I reside
The nina-25 where them Gangstas known to shine
Like they do in 415, the nickel and the dime
The 707 N the 408, right?...
The 6 fifty be wit' the business, it's the Golden state
I got homies in the Valley all the way to FresNorte
I do my thang up out the Bay
The Eastern side is where I'm from
You can ball up in a mansion or be grimey in the slums
Either way it's where I roam 'n' I proudly call it home
Northern Killa Cali man it's in my corazon
We got places that are famous, man the history is real
You can come enjoy the weather or slip up 'n' get killed
From the battlefields to luxury, it's livin' in the Bay
You can catch 'em in a low-low, in a box or in a scrape
Either way we do our thang, ain't no shame in where
I'm from
Cuz everywhere I go I'm gonna represent...

[Hook: Davina]
Bay Luv...
We stay- we stay on the grind...
(I'm- I'm- I'm from the Bay...)
We stay pushin' baby...
Bay Luv...
Oooohh yeeeeaaaah...
(I'm- I'm- I'm from the Bay...)
That's where I'm from...

I'm- I'm- I'm from the Bay...
