[Intro:]

Uh-oh uh-oh uh-oh I'm better wit' ya...
Uh-oh uh-oh... I'm better wit' ya-
I'm better- I'm better- I'm better with you-
I'm better- I'm better- I'm better with you-
I'm better- I'm better- I'm better with you- I- I- uh-oh...

[Verse 1:]

Crusin' down the boulevard- got the top dropped-
Got me feelin' like a Super Star- got it on lock-
I got you by my side always ready to ride
Ya got me reachin' for the sky on a natural high yeah-
We got the Oldies knockin' baby
I'm watchin' every little move you make-
I gotta say that I love the way that ya make me
concentrate
on you You just don't know how much I love you-
Life is so much better because of you.

[Hook:]

You make me wanna be all yours-
You make me wanna please you more-
You make me wanna do some things I never did
before-
I wanna love you more- and life is so much better with
you boy.

[Verse 2:]

You're the reason I'm livin' for another day
I'ma stay yours- no other man can say that he got me
the way you do I'm here ridin' shotgun maybe we can
start somethin'
I'm in too deep- I can't stop lovin' you and I'm thankful
for ya baby
I'm so much better because you're in my life-
I'm so much better- I can finally do things right-
It's you.... it's you- that I'm stayin' loyal to.

[Hook:]

You make me wanna be all yours-
You make me wanna please you more-

You make me wanna do some things I never did
before-
I wanna love you more- and life is so much better with
you boy.

[Breakdown:]

No-one else is better than you-
I know you can do- better than me-
But I'm better with you so ya better stay with me-
Better stay true. (uh-oh)

Uh-oh uh-oh uh-oh I'm better wit' ya...
Uh-oh uh-oh.... I'm better wit' ya-
I'm better- I'm better- I'm better with you-
I'm better- I'm better- I'm better with you-
I'm better- I'm better- I'm better with you- I- I- I...
