[Intro:]

I know she'd try to get to ya if I wasn't around-
That's why I don't trust b*tches 'n' it won't go down-
Deep down I trust my man I do-
But I know that b*tch is scandalous- she's o-o-on you...

[Verse 1:]

Callin' me- out my name (keep callin' me callin' me
callin' me...)
Callin' me- out your way-
There's somethin' bout ya I just can't get off my mind-
N boy there's somethin' bout you- think about you all
the time...
Every time we come around- I'm standin' by your side-
That's why I gotta put it down- for my man I'm gonna
fight-
I'll fight- I'm tryin' to let you know
That I really give a damn about ya babe- and I...
Ain't trippin' off no competition cuz you're mine...

[Hook:]

There's somethin' bout you... that's callin' me-
There's somethin' that you do- (what do you do? what
do you do?)
That's causin' jealousy...
I'm selfish- I can't have no other b*tch with you...
N I can't help it- I'm so jealous- boy- over you...

[Verse 2:]

What do you do? What ya do to me?...
Ya got me seein' thangs I don't wanna see-
Imaginin' that you could be a man I never thought
you'd be-
But baby in reality you are a good man-
Now I been trippin' off the silliest thangs-
I ain't feelin' bein' threatened by another woman's
game- flirtation-
Got the b*tch testin' my patience- got me hatin'- bout to
go crazy...
I been trippin' thinkin' I been catchin' you slippin'-
Dippin' in N out with other b*tches who be wishin'

They could get to you- but as long as you got me -
Ain't no breakin' through N I thought you knew it's
jealousy.
If you leave a b*tch alone with your man for too long-
Somethin's bound to go down if you ain't on it-
So flaunt it if you want it baby-
I'm aware that you're there- he don't care- you ain't ME.

[Hook:]

There's somethin' bout you... that's callin' me-
There's somethin' that you do- (what do you do? what
do you do?)
That's causin' jealousy...
I'm selfish- I can't have no other b*tch with you...
N I can't help it- I'm so jealous- boy- over you...

[Bridge:]

I ain't afraid to admit I'm a jealous b*tch-
But my man knows I love him and I ain't gon' quit-
And it ain't gonna get much better than this-
Ain't no b*tch or no man gonna take the risk-
Of gettin' in between us- steppin' on our toes-
I belong to him- he belongs to me N they know-
They know how it goes 'n' it goes like this-
Better get up out my way I'm a jealous b*tch.

[Hook:]

There's somethin' bout you... that's callin' me-
There's somethin' that you do- (what do you do? what
do you do?)
That's causin' jealousy...
I'm selfish- I can't have no other b*tch with you...
N I can't help it- I'm so jealous- boy- over you...
