Mommy... i love you mommy

I was a baby myself
when i got the news that you were on your way
it was you that changed my whole life
you brought the sunshine on a summer's day
on 8.15.01 was the day i had my son
when they placed you in my arms
man you stole my heart
this little baby was really a part of me
you're such a smart little boy gonna be a good man
go and be what you want
cus you know you can
you got the world in the palm of your hand
and you'll always be my little man

cus you were so loved
your mommy loves ya
you are my pride and joy
you're mommy's pride and joy
you know i love ya
your mommy loves ya
you are my pride and joy
this is for my baby (babies)
this is for my baby (babies)
you are you are mommy's pride and joy

Sometimes gone by my little man and i
the both of us together gettin through hard times
then one day everything changed
he became a big brother when his baby sister came
straight from heaven
born on 1.14.07
i fell in love again
rite when i seen her pretty little face
she's a miniature version of her daddy and i
shes the happiest baby with smilin eyes
shes crazy but shes my baby girl
my little lady
she's takin on the world

cus you were so loved

your mommy loves ya
you are my pride and joy
you're mommy's pride and joy
you know i love ya
your mommy loves ya
you are my pride and joy
this is for my baby(babies)
this is for my baby(babies)
you are you are mommy's pride and joy

lalalalala lalalalala lalalala
mommy's pride and joy
