[Verse 1:]

Mommy, I love you Mommy
I was a baby myself, when I got the news that
You were on your way, and it was you to change my
whole life
You brought the sunshine on that summer's day
On 8.15.01 was the day I had my son.
When they placed you in my arms
Man you stole my heart, this little baby was
Really a part of me...

You're such smart little boy, gonna be a good man
Go and be what you want cause you know you can.
You got the world in the palm of your hands
And you'll always be my little man
Cause you are so loved, your Mommy loves ya

You are my pride and joy (your mommy's pride and
joy)

[Chorus:]

You know I love you (your mami loves you)
You are my pride and joy...
This is for my babies(my babies)
This is for my babies(my babies)
You are, you are, mommy's
Pride and joy

[Verse 2:]

Some times go by, my little man and I
The both of us together gettin' through hard times
Then one day everything changed he became
A big brother when his baby sister came straight from
Heaven
Born on 1.14.07 I feel in love again
Right when I seen her pretty little face.
She's a miniature version of her daddy and I.
She's the happiest baby with smilein' eyes.
She crazy but she's my babygirl ma little lady
She's taking on the world cause you are so loved
Your mommy loves you, you are my pride and joy

Your mommy's pride and joy

[Chorus:]

You know I love you (your mami loves you)

You are my pride and joy...

This is for my babies(my babies)

This is for my babies(my babies)

You are, you are, mommy's

Pride and joy

Laa laa la la la laa laa la la la

Mommy, mommy's pride and joy

I love you mommy
